

Where are we going?

These destinations have been tampered with. These are all places we can look forward to going to as a group and many of us could go to most of them now – anagrams, backwards, questions?

1. VINREK
2. Patrick Lichfield lived here in a “council house”.
3. It is a long way (from LINE THROWK) to here?
4. GLYN MOND
5. ELADNOTTARG
6. Suffered a great fire and a plague
7. SHREIP PILL
8. White upland?
9. REAL SAW
10. Designed by Thomas Farnolls Pritchard, Conservation work 2017/18.
11. NEDIREM
12. ZANDER NEEGY

Hint: These were all destinations that were planned for May to June and hopefully can be done later this year. Our thanks to those walk leaders who planned and may have recc’d the walk but were not able to lead it - hopefully later this year.
